INVITED TALK

EXPLAINABILITY OF AI APPLICATIONS IN LAW

SPEAKER

Dr. Kripabandhu Ghosh

Associate Professor and HoD of Computational and Data Sciences at IISER Kolkata. He earned his Ph.D. from the Indian Statistical Institute. With 15+ years in AI-Law, his award-winning research focuses on trustworthy, explainable Large Language Models [LLMs]. A Section Editor for the Artificial Intelligence and Law journal, he develops transparent, sovereign generative AI systems and benchmarks for the Indian legal ecosystem.
